Championship Cagers Launch Another Season

Front row, left to right:—Schnabel, McDavid, Sadelfeld, Barnard, Howell, Hosket, captain; Swain, Miller, Meadors, Taylor, head coach. Standing, Graf, assistant coach; Burkholder, freshman coach; Walkey, Halley, Andreas, Smith, Sorenson, Bauer, Finney, Spies, Geddes, Hall, manager, McDonald, manager.

Ohio State University's 1968-69 basketball team will open its new season next Saturday, Nov. 30 with a home date with Ohio University.

The Buckeyes, who tied Iowa for the 1967-68 Big Ten title and then finished third nationally behind UCLA and North Carolina, will have a 13-game home stand, including the NCAA champion Uclans on Dec. 6.

Coach Fred Taylor, beginning his 11th year, has lost all-conference and Olympic star Bill Hosket and Mike Swain from the championship squad but has several veterans returning.

Heading this group are captain-guard Denny Meadors of Dayton; centers Dave Sorenson, Findlay, and Steve Barnard, Columbus; forwards Dan Andreas, Sugar creek; Steve Howell, Columbus and Ed Smith of Warren; guards Jody Finney of Springfield; Craig Barclay, Newark; Jim Geddes, Darbydale and Bruce Schnabel, Williamstown, W. Va.

Jeff Miller, of Lima, a regular two years ago, is attempting a comeback following injuries. Joining him are non-lettermen Tom Spies of Columbus and John Halley of Vermilion.

Promising sophomores include Jim Cleamons 6-3, from Linden McKinley, who is expected to start at forward with Howell; Bob Thompson, 6-3 guard from Waverly; Bill Jacobson, 6-5 forward from Youngstown; Wendell Heximer,

6-3 guard from Fayette and Mike Macknin, 6-9 center from Mayfield Heights.

Loss of Hosket will be keenly felt as he led the team in scoring and rebounding for three years.

Last year's team set an all-time Big Ten record for shooting accuracy with a percentage of .515, well above the mark made by the national champions of 1960.

The exciting co-champions of a year ago defeated Iowa in a play-off at Purdue for the conference crown and then won from East Tennessee and Kentucky. The 82-81 victory over the Wildcats on their own floor was one of the biggest achievements in Ohio State basketball history.

In the national finals at Los Angeles, the Buckeyes lost to North Carolina but upset Houston, 89 to 85. Houston had been ranked No. 1 in all national polls during the season. The Buckeye team finished with a record of 21-8.

Coach Taylor has compiled a record of 182 victories against 73 defeats for a percentage of .714, one of the highest in the nation.

In addition to winning six Big Ten championships, Ohio State, under Taylor, won the NCAA crown in 1960 and finished as runnerup in 1961 and '62.

Buckeye Grove Honors All-Americans

Looking west, a section of new trees that have been planted in Buckeye Grove.

Buckeye Grove, which honors Ohio State's football All-Americans, has undergone a revitalization program in recent years through the work of Ohio Staters, Inc.

Ohio Staters, the campus service organization, has attempted to update the Grove that was initiated April 6, 1940 by Scarlet Key.

Scarlet Key, an organization of junior and senior managers in varsity sports, originally planted 14 trees in a plot southeast of the Stadium. Scarlet Key, however, was dissolved in 1950.

In 1960, Ohio Staters started to revive the Grove, with 100 Buckeye tree seedlings planted on the University farms for later re-planting purposes.

With former Buckeye grid captain and Ohio Staters' member Greg Lashutka working on the project, 24 trees were planted in an area directly north of the tennis courts in the southeast area of the Stadium. This first phase was accomplished in 1963.

In the spring of this year, 23 more trees were planted along the walk-way at the open end of the Stadium. These trees are in an area that stretches from the first phase area to Morrill Tower.

The cost of these 47 most-recently planted trees was provided entirely by Ohio Staters, which raises money through sales of seat cushions and Marching Band record sales.

Hugh Hayman, Ohio Staters' University Im-

provements chairman, who is currently in charge of the project, reports that long-range plans call for a complete park-like complex in the Buckeye Grove.

This could mean such features as benches, walk-ways, a fountain and a memorial plaque. Ohio Staters hopes for some assistance in financing from the University or private sources.

Besides bringing the Grove up to date, Hayman said Ohio Staters 'hopes to make students more aware of Buckeye Grove and make it a truly lasting tradition on this campus.'

There is a Buckeye tree planted for each Ohio State football player who has received All-American recognition. Near the base of each tree is a bronze plaque in the shape of the state of Ohio with the All-American's name and year of award on it.

Another Ohio Staters' project that has helped perpetuate a campus tradition is the "Five Brothers" trees in the middle of the Oval. In 1967, Ohio Staters installed a plaque on a stone in the middle of the five trees. On the plaque is an explanation of the tradition of the "Five Brothers" trees.

Among the major projects of Ohio Staters are the Distinguished Speakers Series and the Pop Concert programs. Among the other projects have been: the design of the University crest, Rose Bowl trips, European Charter Flights, the Rally Wagon, Student Ski Trips and the donation of Oval Trailer.

The next big Ohio State alumni gathering will be held Monday morning.

636 strong.

We're proud to say there are 636 Buckeye graduates working with us. They have interesting, responsible positions all over the world.

Some Ohio State students know GM, too. By way of the GM Scholarship Plan. Ohio State University has participated in the pro-

gram since it was established in 1955. Altogether, GM has awarded more than 5,000 scholarships to students at 250 colleges and universities.

636 Ohio State grads make for a lot of Buckeye spirit at GM. So go Ohio State! We'll see you Monday morning.

It's GM people who make the GM mark of excellence

Check 'em.

☐ **Great opportunity.** You earn a commission while you earn your college degree. Graduate—you start at the top. Fulfill your military obligation as an Army officer. With officer's pay. Officer's privileges.

☐ **Great advantages.** Employers prefer a college graduate with service as an officer. Pay more to get him. Because he's a trained, experienced leader. Can handle heavier responsibilities.

☐ **Great success.** From the 5% of college men who had ROTC training have come 24% of our state governors, 28% of executives earning \$100,000 to \$325,000 per year, 10% of Congress, 15% of our ambassadors.

☐ **Great guys.** ROTC men are campus leaders—in ROTC, athletics, extracurricular activities. And they do better scholastically than non-ROTC students.

☐ **Great extras.** \$50 per month in junior and senior years. Scholarships for outstanding students. Free flight training at over 125 colleges. Extra social activities—military balls, honor societies, bands, rifle teams.

Any way you look at it, there's a lot more going for you when you're in ROTC.

Your future, your decision . . .
choose **Army ROTC.**

Break your beard in right.

Right now your beard is in the formative stage.

You can shave it with a razor blade like your father does. And each time you do your beard will grow back a little more difficult. Until one day shaving's no longer a chore. It's an agony.

Look no further than your father's face for proof.

But fortunately, you're catching your beard at an early age. You can break it in to be just as shaveable 10 and 20 years from now as it is today.

With a REMINGTON® shaver.

And if you think the kind of shave we're selling won't be close enough for you, you're wrong.

Our new blades are sharper than anything that's been in an electric shaver before. And there's a dial that lets you adjust them for your skin and beard.

What's more, you can dial a REMINGTON electric shaver into a sideburn trimmer.

Admittedly, it costs more to buy our electric shaver than a razor and some blades.

But it's a good investment.

These next few years will determine how you and your beard will get along for the rest of your lives.

REMINGTON
ELECTRIC SHAVING DIVISION, BRIDGEPORT, CONNECTICUT.

COLUMBUS' FINEST HOTEL

THE PICK-FORT HAYES

COMPLETELY AIR CONDITIONED

Guest Rooms

350 Rooms and Deluxe Suites. All beautifully redecorated and refurnished. Each with bath, radio and television.

Long famous for wonderful food and service, the Pick-Fort Hayes is recommended by America's foremost food authorities. The Crystal Room, exquisitely decorated and furnished, is Columbus' most beautiful, formal dining room. The new and popular Royal Scots is open every day for breakfast, luncheon and dinner, serving fine food at moderate prices. Visit the Round-Up for delicious luncheon specialty or your favorite beverage.

. . . . Restaurants

Banquet Accommodations . .

An entire floor of newly modernized, enlarged and beautifully redecorated private dining rooms. Ideal for that special social occasion—luncheon or banquet—sales conference or convention. 10 exceptionally fine rooms comfortably seating from 15 to 350 persons.

FREE OVER-NIGHT PARKING

THE OHIO STATE UNIVERSITY MARCHING BAND

Half-Time Presentation

AMERICAN HERITAGE

Situation and Music

Most persons traveled to this new land with ideas and hopes expressed in the symbolism of *Climb Every Mountain*.

The song *Yankee Doodle* seems to capture the spirit surrounding the signing of the Declaration of Independence.

The *Theme of the Grand Canyon Suite* and *Beyond the Blue Horizon* is characteristic of the music of a people with the urge to spread out and settle a new country and begin a new life.

Always vigilant through the years, in the hope to keep a free people free, is the concept of *I'm a Yankee Doodle Dandy*.

Please join the band and sing *America the Beautiful*.

We're proud...

that pHisoHex® has been selected as the antibacterial wash to be used by the U.S. Team for the 1968 Olympic Games!

A winning athlete takes special care of his skin. Above all, he protects it against bacteria that can cause infections and lead to missed practice sessions and games.

If you've ever tried to play with an infected blister on your heel or an abscess on your finger, then you know the role of healthy skin in sports. And that's why pHisoHex is an important part of an athlete's daily health routine. pHisoHex is America's leading liquid antibacterial skin cleanser in homes and in hospitals. Used regularly in place of soap, pHisoHex produces a superclean skin and builds up an invisible antibacterial film of hexa-

chlorophene to protect your skin against germs between washings.

And if you have problem skin, pHisoHex is often valuable. The antibacterial film it leaves on your face will ward off blemish-infecting bacteria. pHisoHex also helps to soften and wash away blackheads.

Use pHisoHex, the skin cleanser of winning athletes.

Made by Winthrop Laboratories, 90 Park Avenue, New York, N.Y. 10016. Available in drugstores in 5 oz. and 16 oz. plastic squeeze bottles.

Isaly's Wonderful World of Ice Cream

IN 1910, our Founder, William Isaly, first made Ice Cream by hand-churning fresh cream and sugar in a wooden tub packed with ice and salt. Today, we freeze and package Ice Cream in our modern plants using the finest and most expensive ingredients, the strictest laboratory controls, and the skillful know-how of experienced employees. The result is an Ice Cream of fine quality and creamy goodness that is truly distinctive.

Ohio State Hockey Begins Sixth Season

COACH HARRY NEALE
Starting Third Season

The Ohio State University Hockey team is beginning its sixth year as a varsity sport. Over the season, the caliber of play has improved considerably. The Buckeyes have won 24, lost 34 and tied two during their short history.

Tom Bedecki, former N.C.A.A. champion Colorado College coach, was the first varsity mentor. He was succeeded by Glen Sonmor for one year, 1965-66. Sonmor now coaches at the University of Minnesota. The present coach, Harry Neale, is starting his third season.

Some of the former players who have starred for the Buckeyes are: Roger Hartsock, Steve Yoder, Jim Darnell, John Chaney and the all-time Ohio State scoring champion, Harold Cousino, who had 107 career points.

The icers play a 29-game schedule this season. The 1968-69 team will undoubtedly be the best in Buckeye history. Returning from last year's young team will be Chuck Blooming, a Parma defenseman and Tom Swearingen from Ecorse, Mich., last year's leading goal scorer and most valuable "rookie" award winner. Also returning will be Dave Wahl of Detroit, who had a good season last year.

George Burke, veteran freshman coach is

sending Neale the best crop of frosh the varsity has ever received. Charley Cook, the "most valuable" from Port Huron, Mich., heads the list. Two young and talented goal-tenders, Chris D'Addio, Dayton, and Carl Zelenskas, Cleveland, will be battling for starting jobs and both are quite capable. Two rangy young defensemen will be moving up, Dave Jones from Ithaca, N.Y., and Paul Gross from Chatham, Ontario. Tom Chaney, Brian Tustian, Mike Turner and George Spellmire also will be important members of the 1968-69 Buckeyes.

Coach Neale is enthusiastic about this year's squad and the hockey future. He reports an excellent freshman team. This, coupled with the fact there are only two seniors on this year's team makes the future appear bright.

The 1968-69 schedule is highlighted by two tournaments. The second annual Big Ten Festival will be held at Wisconsin Dec. 26-27-28. The home schedule will include 14 games featuring Ohio University, Bowling Green, Western Michigan, Lake Forest, Air Force, Tennessee and Notre Dame.

Tickets will be on sale at the Ice Rink during the week of each home game, including tonight's 8 o'clock contest against the University of Tennessee.

**When it's football time...
it's time to improve your lawn**

Take advantage of the best time of the whole year to rejuvenate a lawn. The experts always fertilize in the fall, when natural growing conditions are best for the development of good, tight turf. You can literally help grass multiply itself with an October or November feeding. The benefits will be apparent this fall — and in next year's lawn. Truly a once-a-year opportunity!
